### ACADEMIC ADVISING | [reynolds.edu/advising](https://reynolds.edu/advising)

#### New Student Advising

First-time students, new to Reynolds, planning to enroll in courses will receive academic advising through a required new student orientation (SOAR). This orientation will prepare students for a successful start of the first semester. To schedule your orientation, please visit [reynolds.edu/orientation](https://reynolds.edu/orientation).

Once a student has completed orientation, future advising sessions will occur with either a Student Affairs/Enrollment Services advisor or an assigned faculty advisor, depending on the student's program of study.

This email will list advisors in the student's program of study. Schedule an appointment with one of your program advisors. It is important to schedule your appointment as soon as possible once you receive that email communication. This will ensure you get an appointment that works with your schedule and will prepare you to register for classes once registration opens.

#### Program Advising
